"Getting Back Better"

[13] Brethren, I do not count myself to have apprehended; but one thing *I do,* forgetting those things which are behind and reaching forward to those things which are ahead, [14] I press toward the goal for the prize of the upward call of God in Christ Jesus."

In Memory of Jim Welch

Written by Bridgett Renfro, Step-Daughter

Jim Welch was simply known to me as “Pops.” He became part of my life when he married my beautiful mother, Joy, in the year 2000. At first, I didn’t know how I felt about him. See, my biological father died when I was 13 years old. I guess I felt as though I didn’t need another one. But at the years progressed, I became quite fond of Pops. Not only was he wonderful to my mother, (which mattered most to me) he was also quite the caring and loving father. He wasn’t a man of many words, but his actions spoke very loudly, and those actions showed me how big his heart truly was. Pops would’ve given the shirt off his back to a stranger in need. He never tried to become my father, he just wanted to be my friend. As I grew, that friend became my dad. I am so blessed to have had Jim Welch in my life. I know that anyone who knew him would feel the same.

Jim Welch began serving in leadership roles within the Santa Rosa Baptist Association in 2004. He served most of his tenure (off and on) as either the Treasurer or Assistant Treasurer on the Administrative Team and Association Council. He also served on the Nominating Committee, and in his later years as a committed Executive Committee Member representing Immanuel Baptist Church. Rarely did he ever miss a meeting. We will miss him.

5. Clerk's enrollment of Messengers seconded, vote taken and passed unanimously.

6. Jim Waters moved that the program printed be adopted. Motion seconded, vote taken and passed unanimously.

7. Worship team led Congregational Song. "When We All Get to Heaven"

8. AMS Chip Fox introduced Dr. Brian Nall, Executive Director of Pensacola Bay Baptist Association who spoke one message but in a two-part session on our theme, "Getting Back Better;" referencing Church Revitalization. Revitalization is extremely hard work. The emphasis was to examine where you are as a church and determine where God wants you to be; it's important to take steps in the right order to get there and understand that change has to happen. Change is the hard part. A theological word for change is "sanctification." Because where we are and where God wants us to be, that's a journey of holiness and if a church has a problem with change, they have a problem with sanctification. It is to take those individuals that are there in the church and then turn the life of the church around to its missional, redemptive future. As we work our way through that, there is both organizational change that has to take place as well as behavior and the spiritual change. It is both an art and a science as you try to lead your church out of a post-pandemic world to where God ultimately wants your church to be. Regarding determining the health of your church, it's essential to know where you're at in speed, whether it's sudden, whether it's slow or whether it's deceptive. Also, the kind, is it giving, dependent, is it serving? You have to know where you're at, so you can fix where you want to go. Spending some time to know exactly where you are as a church is essential. Towards that end, once you go through, 'How did we get here?' there are 9 orderly steps to a Healthy Church. Dr. Brian then walked through the first 4 steps of the 9 steps to a healthy church referenced from his book, "Toward Revitalization: 9 Orderly Steps to Church Health". 1) Be a praying church 2) Biblical Foundation 3) Categorical 4) Contextual 5) Directional 6) Organizational 7) Functional 8) Communicative 9) Evaluation

9. Due to this being an abbreviated session because of COVID, after each item presented there will be a vote. Clifford Parker presented the Treasurer's Report on pages 4-13 in the Book of Reports. He explained the breakdown of the Balance Sheet and Budget Report. As of the close of December 2020 we had a negative $6,474.35 net income; we spent more than we took in last year. That doesn't reflect the health at the end of the year. We were guided to the bottom of the 2020 Balance Sheet on page 4 and had a Net Income of $20,337.63. The reason it was as much as it was is because we got a federal PPP Loan to help defer some of our expenses. For the current year, (Jan. – Aug. 2021) we had a negative of $6,215.56. We spend a little more than we had contributions. We knew that this would happen after we made the budget, after the New Year, one of our larger churches decided they would decrease their giving by 1 percent. But last year we finished with $20,000 to the good so that goes into the reserve which will pay our bills and allow for some left over. He then explained the Balance Sheet (January-August 2021). No questions entertained. A Motion was made to accept the Treasurer's Report as printed. It was Seconded. Vote was taken and approved

10. Clifford Parker also presented the Stewardship Report (Proposed Budget) on pages 14-16. Because of COVID and the level of giving has declined some, our proposed budget is almost identical to last years. In total, the new budget is $221 more because some expenses went up. A motion was made to accept the treasurer's report as printed. George Fredericks Seconded. No questions entertained. Vote taken with an AYE and no Nays. It was approved.

11. Wally McCoy of Pine Level Baptist Church presented the Nominations Report for 2021-2022 on page 3 of Book of Reports. There was a request for and seeking a lay person moderator-elect. No questions entertained. A motion was made to accept the Nominations Report as printed. Second made. Vote taken to accept the Nominations as printed and approved.

12. Jim Waters introduced Providence Church and made a Recommendation to accept Providence Church into the Santa Rosa Baptist Association. A Motion was made to accept Providence Church into the membership of the Santa Rosa Baptist Association. Second made by Matt Cotten. No Discussion. An Aye vote taken and unanimously approved. Pastor Zack Simms of Providence Church and Andy Bell came forward and were extended the right hand of fellowship into the Association.

13. Associational Mission Strategist Chip Fox deferred to his AMS Report in the Book of Reports on page 17. "It's been a great year in regards to what God is doing in the life of our churches. I know we've all struggled in a lot of different ways, but we're trying to "Get Back Better" – get back stronger than we ever were before. The World really needs us; He needs a church that's active and vital. I work behind the scenes and it's my responsibility to help churches even in the worst of times. Even when things are falling apart all around. We've had some of those things happen. Because of your willingness to give and support this work, I've been able to go and help churches in trouble. It started right at the beginning of the year with one of our churches; a pastor being arrested. We went into action very quickly at Olivet. So many of you have been praying for that church. The good news is that the congregation has held strong and they are seeking a new pastor. I cannot tell you how important it is

that we have an association of churches. I knew that when I was a pastor because I called on the Director of Missions and looked to him for strength and support for those times. I see it so much more clearly now. But God has been blessing us in so many different ways. It may not be monetarily, but in the fellowship, we enjoy - we have pastor peer learning groups where we have good groups of men that meet. We meet in Milton, Pace and Navarre; it's an accountability thing where we're trying to grow in Christ with things that we study. We have also seen God do some amazing things in our Pakistani mission partnership ministry. Aslam who leads this Pakistani ministry has gotten us to love Pakistan also. Last year with the 30 Pakistani churches we work with, they had 470 baptisms. This year, from January until now, we've seen over 700 baptisms. We were virtual, "live" with them just last week and will be "live" with them this week for our pastors to teach, share, and encourage them. God has opened that door. We have our mission churches, The Point, in Garcon Point continuing to move forward adding new "stuff" to their church. God is blessing their work there. There is also Living Truth East Campus who already had land given to them and is looking to build in East Milton. It has been a privilege through our Missions Funds to help support that work. We're looking forward to what God will be doing in the future and so grateful to be part of the Church of Santa Rosa County."

14. Special Music, New Bethel Worship team, Amanda and Blake Lewis - "Revelation Song"

15. Bro. Chip introduced Pastor Matthew Dobson, Pastor of New Bethel Baptist church who gave the message on 1 Cor. 15: 57-58, "How to Win with Christ." He gave the testimony of his being the first American winner of the January 11, 2004 Walt Disney World Marathon. He spoke of his journey and process of preparation, recognizing his gift and wanting to be best at it, develop a strategy to win, and how he wanted to dedicate this marathon to the glory of God. In his testimony Pastor Dobson detailed 6 points on "How to Win with Christ" in everything we call life. Philippians 3:14 "I press toward the mark for the prize of the high calling in Christ Jesus." Pressing on.

    1. We need to <u>Live in Him</u>. If any one be in Christ, they're a new creature; they've repented and made right with Him. Doing those things that pleases God, we can have a new life, hope, a new ambition in life.

    2. We've got to <u>Learn from Him</u>. Scriptures were written for our learning that we might have hope. We learn from Him …

    3. and <u>Lean on Him</u>. (Proverbs 3:5) When we trust in Him we don't have to worry about the future. We know He holds the future.

    4. We have to <u>Listen to Hear from Him</u>. (John 10:3) The Bible says, the sheep listen to His voice and He leadeth them out. God speaks primarily through His word, providential means, the Holy Spirit. We have to listen to what He says. He can speak loudly, but He might also speak in that still, small, voice.

    5. We need to <u>Labor with Him</u>. (1 Cor. 3:9) The Bible says we are co-laborers with Him. We haven't got this far (114th year of the SRBA) without having worked together. We need to continue to do that.

6. We need to Look for Him. (Titus 2:13)

16. Memorial Recognition of Association Church Deceased Members.

17. Continued Instructional Message-Part 2, "Getting Back Better" given by Dr. Brian Nall, Executive Director of Pensacola Bay Baptist Association. Dr. Brian then walked through the last 5 steps of the 9 steps to a healthy church, referenced from his book, "Toward Revitalization: 9 Orderly Steps to Church Health". 1) Be a praying church 2) Biblical Foundation 3) Categorical 4) Contextual 5) Directional 6) Organizational 7) Functional 8) Communicative 9) Evaluation. Dr. Nall's published book and other resources were offered free to churches/pastors at the end of the meeting.

18. AMS, Chip Fox recognized and presented Wally McCoy of Pine Level with a Moderator Plaque in appreciation of being Moderator for the Association for 2020-2021 year. Clifford Parker was recognized for 25 years in Treasury service to the Association and will retire this year. Wally McCoy made a Motion to adjourn the 114th Annual Meeting. Seconded and vote approved.

19. Pastor Jeff Brousseau of Antioch Fellowship read from Ephesians 3:20-21 and closed the 114th Annual Meeting with the Benediction prayer.

Associational Mission Strategist (AMS) Report

Our Theme this year is "**Getting Back Better.**" In Philippians 3:13-14 the Apostle said, "*Brethren, I do not count myself to have apprehended; but one thing I do, forgetting those things which are behind and reaching forward to those things which are ahead, I press toward the goal for the prize of the upward call of God in Christ Jesus*."

As we met at our Executive Committee Meeting in October 2020 at New Life Baptist Church, I heard many talking about how we hoped our churches would be getting back to normal soon. I got to thinking that we don't want to be normal; we want to come back better. So, I thought we want the church getting back better. Paul is encouraging us to press forward for the cause of Christ. We never want to do ministry that is normal, it must be supernatural through the power of the Holy Spirit. Only this way will we reach "the goal for the prize of the upward call of God in Christ Jesus."

On Wednesday Sept. 17, 2020 Hurricane Sally made landfall as a Category 2 storm near the city of Gulf Shores, Alabama at 4:45am local time. Heading Northwest, it passed through Escambia and Santa Rosa Counties dumping 30 inches of rain in parts of Florida and Alabama. Nearly 600,00 homes and businesses were left without electricity. The damage was widespread in Santa Rosa County.

Through the months of October and November, we were involved with helping our churches that suffered hurricane. The first thing I did after the storm passed through was to phone, text, or email pastors. The question asked was, "How did your church members and facilities fair through the storm ?" About one fourth of our churches reported sustaining some damage. First Navarre, Pine Level, Cora, and Floridatown had the most damage.

First Navarre lost their steeple and shingles from the roof and this produced a flood inside their sanctuary building causing extensive damage. Pine Level had a large tree fall and crushed the roof of their fellowship hall. Most of their building had to be reroofed. Also their steeple was raised up from the roof by the wind and opened it up to leaking water into their sanctuary. Cora had extensive flooding in their basement facilities. Floridatown also suffered damage to their roof because of the steeple pulling away from the roof. It flooded into their sanctuary foyer. They also had to deal with a bee problem. It appears that they had honey bees and their honeycombs throughout the steeple. The pastor Joel promised me some of that honey and I got it! You know that could make it big in the grocery stores: "Steeple Honey," sacred and delicious.

The situation for most of these churches was difficult. If they had insurance the deductible was multiple thousands of dollars, or they didn't have wind insurance because of that deductible. In every case the churches were going to have to pay multiple thousands of dollars out of pocket to get the repair work done. What do we do? Where can we find help? The partnerships we have as Southern Baptists is a real beautiful thing to see. And that is certainly true in regards to what our churches experienced in the aftermath of Hurricane Sally and Zeta.

A few days after this event we had some visitors to our Santa Rosa Baptist Association. Tommy Green (Executive Director/Treasure of FBC), Miles Dowdy (Missions and Ministries—Lead Catalyst FBC), Gary Townsend (Regional Catalyst—North FBC) and our own Lewis Miller (Regional Catalyst—West FBC) all sat in my office. They asked, "What can we do to help the churches of the SRBA?" I shared with them what I knew and and for the churches that expressed a need, the Florida Baptist Convention came to our rescue in a big way. In some cases, they helped pay big deductibles and in other cases they gave thousands of

dollars to help pay the cost of repairs. With their help, each church had resources to do the repair work needed. A truer statement could not have been said, "The FBC was "Right Beside Us."

We had some other churches that suffered some damage, but it was not extensive. However, when your giving is affected because of Covid-19, and you don't have money to spare for repairs; any help is greatly appreciated. Again, I turned to the Florida Baptist Convention and called and spoke to Lewis Miller about the need. And they came through again with financial assistance. They covered repairs to metal siding damage on First Jay's covered walkway and roof damage repairs for Wallace. Again, thank you to the Florida Baptist Convention!! Later on, I found there were two other churches that could use financial support for their hurricane damage. I thought Lord, how are we going to meet this need? Just yesterday I received a visit from AMS Troy Varnum and Pastor Jay Powell. This is the same Association that in 2018, (after Hurricane Michael hit) we sent them a check for $30,000 to help pay pastor/staff salaries for their churches. Now, Northwest Coast Baptist Association came to help us. Praise God! This allowed us to help these two other churches. Associations helping associations. This is another way Southern Baptists partner together.

On November 19, 2020 we held our Association Leadership Training at David's Catfish House. We had a good turnout for this meeting. The Team Point Persons received information to help them fulfill their ministry for the coming year. Patti and I led this meeting.

I had a meeting with Pastor Ji (Pastor of Korean Hope Baptist Church) and Pastor Kim (Pastor of First Korean Baptist Church in Pensacola) on December 9th. With the help of Pastor Kim as my translator, I spoke with Pastor Ji and helped him fill out the application for Revitalization funds from the Florida Baptist Convention. I spoke with Lewis Miller (West Regional Catalyst, FL Baptist Convention) and sent the application to him. Later, Lewis got back with me that the application had been approved. I am so thankful for our partnership with Florida Baptist Convention. They have always been faithful to come to our aid when we need them. Through this year many of our churches have received Revitalization Funds from the Florida Baptist Convention to help with ministry needs and facility improvements.

I conducted two funerals in the month of December. This gave me a total of nine funerals in 2020. Some of these funerals were for my family members, some for former members of churches I served, and some I did for pastors who were sick or quarantined with Covid-19 and couldn't do the funeral themselves. I mention this because I can't remember in the pastorate ever conducting that many funeral services in one year. I know for a lot of pastors they too were called on to minister to many bereaved families during this time of Covid.

On December 12 & 15 , I had the opportunity to preach Virtually to pastors and leaders in two house churches in Pakistan. I spoke on the subject of an Old Testament Christmas. I used the Old Testament prophecies of Jesus' first coming to show that the Christmas Story began in the Old Testament. When I finished speaking at one of these churches, I asked about a couple that I had prayed for back in February of 2019 when I spoke at the same church. They had come forward and asked me to pray that they would be able to have children. They had been married for twelve years. The Pakistani Pastor began to smile and shared that they just had a baby girl. I did a little calculation and that was about 9 months ago. Wow! The Lord is amazing in his answering our prayers.

December 14, we received a call from Olivet Baptist Church which informed us that their pastor William Milam had been arrested for possession and distribution of children pornography. On the next day December 15, I met with the deacons of Olivet and shared with them, that under the circumstances I could get permission from the Association Council to preach for several weeks to help the church deal with the shock

and grief of what had happened. The Council approved my request and I started preaching on December 20 at Olivet. On Dec. 23 at their business meeting, Olivet approved a motion for me to preach for them through the month of January. During this period of time I preached six times on Sunday morning and led in two Wednesday night business meetings. I also attended deacon meetings and was available if needed for hospital visits, funerals, or weddings. It was a joy to observe the folks staying faithful to the church as the attendance climbed. We also were able to minster to William's wife Nancy. Through our partnership with the Lewis Miller and the Florida Baptist Convention we were able to give her a check for $3,000 to help with her decreased financial situation. Olivet also continued paying for her home mortgage for an additional 3 months. During this time, I was able to meet with William in the Santa Rosa County Jail. He was broken and very repentant for what he had done. I ministered to him as my brother in the Lord. At the end of January 2021, in consultation with the Olivet deacons, it was determined that the church was ready to move towards looking for an Interim Pastor. Rev. George Dunn was called to be Interim. He has been there through the month of September and is a doing a great job.

Also, on January 28, 2021 we had our first Virtual Pakistan Orientation Training. Aslam and I led the meeting. There were 9 Pastors who attended. It was a success in helping us better understand the culture we are ministering to in our Pakistan Partnership Mission. Myself along with 8 other pastors preach/taught virtually Feb. 3, 4, and 5th at a Pakistani retreat for pastors in Pakistan. We have seen phenomenal growth this past year; some 500 baptisms with the pastors we have been working with, 6 baptistries built; food given to Christians in need, freeing of slaves, 100 plus pastors and leaders trained, 40 pastors and families under blasphemy convictions and widows were blessed with emergency funds as well as medical help, and around 500 Bibles given in the Urdu language to new converts. It is amazing what God has allowed us to do in such a short time.

On February 16th I had the opportunity to attend the Convention's Share Challenge 2025 Conference, where the FL. Bapt. Convention shared what their goals are for now through year 2025. I took the breakout sessions on Rural Church Ministry and Missions. I learned a lot from each class.

Living Truth East Milton asked for and received a 2nd year of Church Planting Funding support of $10,000. Pastor Matt of Avalon, also requested and received funds for Church Planting support for The Point. We praise the Lord for how these new churches have been growing even during this pandemic.

The 2020 Associational Annual has now gone Virtual to be viewed online on the Association website. Bro. Clifford, our Association Treasurer for over a decade has announced that this will be the last year of his service as treasurer to the Association. Thank you Clifford for your faithful service to the Lord and us!

Faith and Hope Counseling has been going strong with 186 clients seen since January 1st. They are mostly meeting in the evening and are expecting to see that ministry grow. As of September, we now have three counselors who regularly see patients at our SRBA Office. We have seen two professions of Faith in Jesus through this ministry; "Praise the Lord!" and many families and individuals who were helped through these Christian Counselors.

Because of the Covid-19 pandemic we determined that it would not be safe to meet. So, with much prayer and seeking the best for our Association we decided to cancel the Executive Committee meeting for February 2021. In place of this meeting, we sent out an Executive Committee Brief. This document included the regular outline that we use for our Association Executive Committee Meetings. In this brief we sought to convey the information that is normally discussed in our quarterly Executive Committee meeting. It was our

hope that this brief would enable the Executive Committee members to stay informed as to what was happening at the Association during these days. We told them, although we are not having a live meeting in which you can ask a question or give a comment. Should you need clarification or have a question please feel free to email our Secretary, Patti Smidt.

In May and August, we were able to resume our regular quarterly Executive Committee Meetings. Because of the Covid-19 health risk, we moved these meetings to New Life Baptist Church. This allows us to space out more than we could at the SRBA Office Meeting Room. The meetings were well attended with 44 in May and 29 in August. I want to give a big THANK YOU to Pastor Jim Stickle and his folks who hosted these meetings. They served the food and made us feel so at home at New Life.

Our Peer Learning Groups continued to meet in November 2020. To start the new year, we had Lewis Miller (FBC West Regional Catalyst) come to all of our January 2021 meetings. He spoke on a new book by Tony Merida entitled, "Christ-Centered Conflict Resolution". We had a great attendance for all three groups. I wish to thank Lewis Miller our Regional Catalyst who through the Florida Baptist Convention, contributed $500 towards the purchase of the books we use for our discussions. These meetings are held in Milton (SRBA Office), Navarre (First Navarre), and Pace (Immanuel) A big thank-you to the churches that host our groups.

It is with great regret that I had to recommend the cancelling of our March 8th Bridging Your Community Conference, August 26th Church Growth Conference, and September 23th Senior Adult Conference, because of the spike in Covid-19 cases in Florida.

At present, we have 40 churches and church plants. We have two church plants; The Point, sponsored by Avalon and Living Truth East Milton, sponsored by Living Truth Church. This year we are happy to announce that we will be voting on Providence Church to join our fellowship of churches. It will be exciting to extend to them the right hand of Christian Fellowship and welcome to our association family of churches.

Last, I am so thankful for the involvement of our member churches in the Association. Both in your financial giving and participation we remain a strong fellowship of Cooperating churches. It is an honor to be your Associational Mission Strategist, and it's a great privilege to serve you. Our motto is still: "Serving Jesus by Serving His Churches."

Respectfully Submitted,

Richard 'Chip' Fox

Men's Ministry

The Santa Rosa Baptist Association co-sponsoring the Men's Barn Meeting on July 29th 6:00pm at Living Truth Baptist Church. The quest speaker was Kenny Evans, an Evangelist, Entertainer, and Sportsman. As a Country music singer, Kenny began his music career as the opening act for some of country music's biggest stars including Kenny Chesney, Charlie Daniels, Lonestar, Sara Evans, Toby Keith, Tracy Byrd, and many others. Leaving a life of alcohol and drug abuse in 1998 he became a born-again believer. In the spring of 2000, Kenny left the country music industry to serve the Lord. Kenny Evans graduated from Southeastern Baptist Theological Seminary and has served on the pastoral staff at churches in east, TN, and south Florida. Since 2005 Kenny has traveled the nation as an evangelist singing and speaking in more than 100 Christian events each year. Kenny Evans is also the featured male vocalist in The American Oldies Show Pigeon Forge, TN where he's been performing since the spring of 2001. At the meeting we had around 200 in attendance. Kenny entertained us with music and proclaimed the Word of God. Praise God!!! Four men received Jesus as their person Savior.

Student Ministry

Each year, Youth Ministry leaders around the Association network together to advance the Kingdom. One way this happens is through the annual DiscipleNow (or DNow) weekend. DNow happened February 12th and 13th in 2021. Each church can plan their own activities for Friday, Saturday, and Sunday. The churches come together on Friday night, Saturday morning, and Saturday night for large worship gatherings. In 2021, we had about 12 churches participate. There were some churches from outside the association that joined us as well. We partnered with Strength to Stand (Student Ministry Division of Scott Dawson Evangelistic Association) to provide a theme, speakers, and worship band. There were more than 500 students and adults at Immanuel Baptist Church to worship in unity as the body of Christ. There were more than 40 decisions made. Doing this as an Association allows ALL churches - regardless of size - to participate in a high caliber ministry event. In 2022, DNow will be February 18-19. Pine Terrace will be hosting the large worship gatherings on Friday night, Saturday morning, and Saturday night. We will be teaming up with Strength to Stand once again. They will bring a band to lead worship, dynamic speakers for the large group gatherings, and provide curriculum for our students to study in small groups. If you are reading this, please make sure the leader of the youth ministry at your church knows about this event and tell them they can contact Bo Mills (bmills@fbcmilton.org / 850-501-6962 cell) for details, answers to questions, and anything else they

need. Bo is the Student Minister at First Baptist Milton and the Youth Ministry Team Leader for the Association.

Prayer Coordinator

Greetings! There was no prayer conference held in January 2021 due to Covid concerns. However, occasionally prayer articles and resources were emailed to our church prayer coordinators as sources of encouragement and training pieces for their consideration. Also in August, our churches once again strategically prayed and prayer-walked the school campuses across our county; some churches participated in outreach ministry giving away hundreds of packed backpacks, haircuts, shoes, and hygiene packs. There was also ministry outreach to Teachers during Teacher planning week before school began.

Please feel free to contact me at the association office should you have any inquiry regarding prayer, I would be honored to assist you.

Stewardship

2021 TAX UPDATE WEBINAR – JANUARY 18, 2021

The first event of the year for Stewardship was the Annual Tax Update in January. This webinar presented in the conference room of the SRBA was very informative. There were more participants than in the past. The information shared by our state stewardship representative via slideshow was very helpful to ministers and to churches. This is a great event sponsored by the association. As a Certified Public Accountant, I was also available (free of charge) for questions, public and private, after the presentation. If you did not attend, please come for the 2022 update. You will not be sorry.

I have had several calls and meetings with pastors and church leaders to answer stewardship questions for our churches. Please call (850)995-1840 or even better, email (charissa@cottencpa.net) with questions regarding stewardship. Email is the best way to contact me as I am often with clients and unable to answer a specific call.

Benevolence

Between September 1, 2020 and August 31, 2021, $1,600 was applied toward 26 benevolent requests which were completed with assistance going for food, electric, water, and rental assistance.

Here are the guidelines for receiving Santa Rosa Baptist Association matching funds benevolence assistance:

□ The requesting church is encouraged but not required to give the name and address of the person needing help.

□ The person needing assistance must present proof of being a Santa Rosa resident.

□ A church may receive funds up to two times per month for assistance but not for the same person or family.

□ The amount of $50 will be allowed for utilities (electricity, water, and gas only); housing (rent and mortgage); and other special needs. If a need exceeds the allotted amount, the Director of Missions may use his discretion, with the amount not to exceed $100. NO deposits will be paid. The person asking for assistance must be able to show the church requesting for them that they will be able to come up with the full amount of the bill from other resources before the Association releases funds. These are matching funds (the church to provide assistance and the Association will match the funds up to $50).

□ The Association will reimburse a church $25 with food assistance. If you have questions, please contact the Association Office concerning benevolence.

Peer Learning Groups

We continue to have peer learning groups in three locations throughout the county; Milton at the Assoc. Office, Pace at Immanuel, and Navarre at First Navarre. We switched to Zoom Meeting in April to continue our three Minster's Peer Learning Groups. In all, we have around 30+ ministers involved. These groups create opportunities for learning and equipping; as well as fellowship and accountability. We welcome any minister to participate, whether they are on staff or not.

REPORT TO THE ASSOCIATIONS 2021

Thank you for your incredible partnership that allows us to meet the needs of foster children, trafficked children, hungry children, single moms and struggling families in Florida. Because of you, we are able to continue meeting dire tangible needs. Most importantly, with every tangible need met, doors open for us to share about the One who truly heals and saves – Jesus Christ!

Brendan's story with us began when he was 61 days old and in the ICU. The day we entered into his life, he was not expected to make it through the night. His body was badly hurt, and he was covered with wires and splints. The medical team working on Brendan was doing everything it could but felt time was not on its side.

During this critical moment for Brendan, we shared on one of our private foster family Facebook groups the urgent prayer need for his life. Danae, one of our long-time foster parents physically stepped up to be by Brendan's side as he was separated from his biological family because of abuse. Danae was "his person," there each day as he made a remarkable recovery. In it all, Danae covered Brendan in prayer.

Danae's compassion for Brendan paved the way for him to eventually join his two brothers in a One More Child foster home. Today, Brendan is on his way to full health, and he has been adopted.

Every day, churches, foster parents and volunteers are making it possible for children just like Brendan to know stability and safety, as well as the unconditional love of Jesus! Annually, we are impacting more than 324,000 children and individuals. Thank you to your Association, and its churches, who make our work possible. Annual Diaper Drive

It is that time of year again! In 2021, the need for diapers is greater than ever due to job loss and unexpected challenges brought on by the pandemic. We need your church to step up and help us support single moms, foster children and struggling families!

Our goal is 1 MILLION diapers! It may seem ambitious, but our God is a God of abundance. Every diaper donated makes an immediate and tangible impact for a family in dire need of resources. Learn more at **onemorechild.org/diaperdrive.**

Florida Baptist Children's Homes and ONE MORE CHILD Ministry Highlights:

From the opening of our first orphanage in 1904 to our present-day ministries, we continue to serve hungry children, foster children, trafficked children, single moms and struggling families locally and globally. Our focus continues to be to share the love of Christ with children who are abused, neglected or disadvantaged.

We celebrate that annually we impact more than 324,000 children and individuals through our ministry, and we look ahead to reach one more hurting child in need today. During these extraordinary times, the demand for our services is rapidly growing with each passing day. Though our operations and staff are being stretched like never before, with the help of Florida Baptists, our essential work is continuing and expanding as we:

- **Serve Florida's foster children in 50 counties.** We are placing new children in foster homes and recruiting and licensing new foster families daily. With added stressors for families, there has tragically been an increase in child abuse and domestic violence. Our foster care teams have streamlined the licensing process and are recruiting more diligently than ever to meet the need. We are leaning on the Church as so many Florida Baptists provide incredible wraparound support for families such as respite care, meals, clothing and more. We also celebrate that 70 children were permanently adopted by our foster families in 2020.

- **Serve Florida's hungry children and at-risk families.** We are on track to provide more meals to hungry children and struggling families than ever before, including through our brand new Azinger Family Compassion Center in the Bradenton area. In 2020, we provided more than 19 million meals. We are grateful for the amazing partner churches and schools who have helped us serve families within their communities.

- **Serve single moms and their children.** We continue to care for the needs of single moms and their children located on our campuses throughout Florida, many whose jobs and access to childcare have been affected. These moms are still on their feet and working toward self-sufficiency because of the solid foundation they have in our program and the support they have in local churches.

- **Meet the needs of families going through especially challenging times.** We provided COVID-19 emergency relief to more than 500 families by way of rent and mortgage assistance, food, diapers and emergency necessities. More than $1,000,000 of assistance was provided to families in total.

- **Advocate for one more child not yet born.** Since the pandemic began, many pregnancy care centers have had to overcome countless challenges, but through our Sanctity of Human Life program we continue to assist pregnant women in need, even via sidewalk counselors. Many of the women who contact the pregnancy care centers need critical resources and prayer as they face their next steps. Recently, one woman learned about the hope she has in Christ and the resources that are available to her and her child. She chose LIFE for her precious baby and knows she is not alone on her journey!

- **Serve Florida's trafficked children and teens.** Last year, we served 347 clients through our Anti-Trafficking mobile services and safe home care and impacted 20,671 individuals through our Anti-Trafficking education, advocacy and awareness efforts.

In Loving Memory

Associational Covenant for Santa Rosa Baptist Association

Being led, as we believe, by the Holy Spirit, to enter into covenant as an association of churches, we join ourselves together through this larger fellowship:

To watch over one another in love and to nurture the spiritual welfare of fellowship of all churches in the association;

To provide a forum for the consideration of our Christian faith and the evaluation of those points of doctrine and policy which affect our life together.

To assist the churches in planning, conducting evaluations and improving their programs of work designed to reach their objectives.

To carry out the Great Commission of the Lord both within and beyond the bounds of the association; and

To facilitate the exchange of information and assistance between the covenanting churches and the Florida Baptist and Southern Baptist Conventions and their agencies and to maintain interaction with community agencies and other Christian bodies.

Note: Adopted during Annual Session, 1972

Article of Faith

1. We believe in only one living and true God, the Father, and Holy Ghost and these three are one, created, preserves and governs all things after the councils of His own will.
2. The Scripture of the Old and New Testaments to be the word of God, containing His Revealed will and the only rule of faith and practice.
3. That man was first created in a holy and happy condition, but, by transgression, he fell from that state, became depraved, and as he was the covenant head of his posterity, they are born in sin and unless they be born of the Spirit, continue dead in trespasses and sin, being destitute of real holiness and possess enmity of heart against God.
4. That the Lord Jesus Christ, who was eternally with the Father, was in the fullness of time, manifested in the flesh, in which he fulfilled the law, suffered and died, to make atonement for sin, is the only Savior, Prophet, Priest, and King, appointed heir of all things and judge of the quick and dead.
5. We believe in the election according to the foreknowledge of God, the Father, through sanctification of the spirit, unto obedience and the sprinkling of the blood of Jesus Christ.
6. Those who are thus united to Christ by a living faith have the full and free forgiveness of their sins, which favor is bestowed, not on account of any work which they may have done, but solely on account of the merits of Christ, arising from His suffering and death.

7. That all those who are born of the Spirit and justified by the reputed righteousness of Christ, will persevere unto the end, being kept by the power of God, through faith, unto salvation.
8. That visible Churches are to be formed only of professing believers in Jesus Christ, who may give satisfactory evidence of a change of heart, wrought by the good Spirit of God and baptized by a proper administrator. That Christian baptism is the immersion of the whole body in water, in the name of the Father, Son and Holy Ghost, to show forth in solemn and beautiful emblem, our faith in a crucified, buried and risen Savior and that is prerequisite to church membership, but has no connection with the great work of regeneration, or the new birth.
9. That the Lord's Supper is an ordinance of the New Testament, showing for the His Death and consists in the reception of bread and wine, and is to be observed by those only who have been baptized and become regular members of a Gospel church.
10. That God having appointed the preaching of the Gospel for the edification of the Church and the advancement of His kingdom in the world, therefore it is our duty to contribute to its support, as Divine Providence may give us ability.
11. That the government of the Church is not to be vested in the hands of any man, or number of men, distract from the body, but is to be conducted solely by the church herself.
12. That the first day of the week, called Sabbath, or Lord's Day, is to be sanctified by attending to the worship of God, in public and in private, abstaining from unnecessary visiting, trifling conversation, labor, etc. except as much as may be directed to works of necessity and mercy.
13. That when time shall be nor more, the Son of Man will return to judge the world in righteousness, that bodies of all men will be raised from the dead and brought to the judgment seat of Christ where the righteous will be rewarded with eternal life and the wicked sentenced to eternal misery.

History of New Bethel Baptist Church

Jay, Florida

In 1928, Walter T. Stewart moved to Santa Rosa County from Enterprise, Alabama. It was not too long before all the Stewart boys came to live in Florida. Walter, Floyd and Fletcher bought and lived on adjoining land where New Bethel Baptist Church is today.

As they started to raise families in the North Chumuckla area, Walter married Ethel Bauldree; Floyd married Ella Mae Nortan; Fletcher married Lessie Hamm; Elmer married Dovie Kemp. The brothers, family cousins, and their wives started to have children and populate the countryside of North Chumuckla.

One relative named, Savannah Stewart, needed a place to teach her grandchildren about Jesus. So, Savannah and Lessie Stewart started a church and had Sunday School on Lessie's front porch. On rainy days everyone would move into Lessie's house to worship. Lessie had an organ that she would play for services. When they started to outgrow the porch, the men decided to build a brush arbor. As the congregation continued to grow, the brush arbor got too small and a larger space was needed. The men of the community built a wooden church on Fletcher and Walter's land and named it Old Bethel Baptist Church.

The congregational numbers continued to expand. The church members knew it was time for a larger building that could accommodate the growing congregation. Floyd Stewart donated two acres of his land to build a new church. The members pledged items that were equal to the price of a cow, a bale of cotton, and an acre of soybeans. When the church needed a piano, every family pledged $100.

New Bethel Baptist Church was established in 1941 under the leadership of Reverend Billy Williams. Other early pastors that served from the early 40s to the early 50s were Holley Secrest, A.M. Smith, Alvin Hogdon, Huey McWaters.

Floyd Stewart's son, Clayton and his wife, Pearlie, were the first couple to be married in the newly built church. Relatives of those who founded the original church still attend the church today.

Between the years of 1952-1983, seventeen different pastors were called to serve at New Bethel. This calculates to an average service of 1.8 years per minister. It was also during this span, in the mid to late 1950s, a parsonage was built as living quarters for the called pastor and his family. It had three bedrooms, one bath, a kitchen, and a living and dining room area. The exterior was made of concrete block and the interior walls were constructed with golden brown, ponderosa pine.

In the 1970s, and for many years previous, members would sell livestock and donate the profit to meet the needs of the congregation. Many people contributed time, money, and prayers for the church and they still do today.

During the tenure of Rev. James Boyd, 1983-88, a new steeple was purchased and attached to the roof. It is the one currently atop the church. Church member, Paul Stewart, used heavy machinery with a lift and a makeshift basket comprised of rope. He slowly hoisted Rev. Boyd to the very top where he was able to attach the Cross on the apex of the steeple. There have been occasions where some passerby's have seen a dove resting on the pinnacle of the Cross. The New Bethel membership collectively believe this symbolizes the "Prince of Peace" is reigning over the flock.

In the 1990s there was an influx of membership and the blessed offerings enabled the congregation to build additional educational space on both the south and north sides of the church. In 2004, the church received damage from Hurricane Ivan. During the repairs, a metal roof was added, as well as an industrial-sized gas stove.

Throughout the years, New Bethel became known for its rich history in gospel music singing. Many members that attended were blessed with musical talent and several music programs were held and continue to be performed in the little New York community.

Vacation Bible Schools and annual Camp Meetings were held on the grounds of New Bethel. These events would attract out of town visitors and local folks who needed a spiritual uplift for themselves and their family. RV hookups were added on the southside of the church grounds to accommodate camp meeting visitors.

Beloved New Bethel Pastor, Rev. Joe Digmon, had served the church from 1971-72. He was called a second time and served 10 additional years from 1996-2006. He passed away during his tenure as pastor.

The longest serving pastor of New Bethel, Rev. R. Matthew Dobson, also known by the congregants as Bro. Matt, was called on June 7, 2009. In his third year of service to the congregation, he was endorsed by the North American Mission Board of the Southern Baptist Convention to serve as a military chaplain in the U.S. Army Reserves. During his 8-year commitment to the Army Reserves he maintained his pastorship and when he fulfilled his military obligations in 2020, he continued to serve as pastor of New Bethel.

In 2016, the membership decided to expand the fellowship hall's dining area. To do this, an existing wall adjoining the south side education wing, was removed. Renovations were completed by Kemp Construction.

In the year of 2016, the active deaconship included Jamie Sanders, Damon Frady, Douglas Stewart, and Roy Allen. Inactive deacons included Jimmy Arnett.

A summer revival was held at New Bethel in 2016 with the Theme: For God and Country. New Bethel Pastor R. Matthew Dobson, also a U.S. Army Chaplain, invited two military chaplains to speak during the revival. The two were U.S. Navy Chaplain John Gibson (active duty) and U.S. Army Chaplain Heath Flowers (Alabama National Guard). It was a patriotic salute to our Heavenly Father and to our nation, the United States of America.

In 2017, Pastor R. Matthew Dobson and his wife, Teresa Dobson, submitted a grant proposal to the Florida Baptist Convention. After having met all the qualifications, New Bethel Baptist Church was awarded a $20,000.00 grant to be used in the name of "Revitalization". Several upgrades and additions were made to the ministries of the church.

On Veteran's Day, November 11, 2018, Rev. LaDon Hall was the guest preacher for the 77th Homecoming meeting. Following the worship service and before the fellowship meal, the New Bethel membership dedicated a newly installed flagpole, as made possible by the generous gift of Woodmen Life. Deacon Jamie Sanders and his brother, Ricky Sanders, installed the pole on the front, south side of the sanctuary.

Beginning in 2018 Kelley Sanders was nominated and approved by the Santa Rosa Baptist Association Executive Committee to serve as the Associational Children's Ministry POC (Point of Contact). At the same time, Pastor R. Matthew Dobson was nominated and approved to serve as the Associational Military Ministry POC.

For six weeks in the year of 2020, the church suspended indoor services due to the COVID-19 Pandemic. In late summer of 2020, outdoor services were performed till the congregation started meeting inside again.

During the summer of 2021, the willing hands of the church membership constructed a wooden children's playground set. It included two towers bridged by climbing bars. A slide and multiple swings were also added to the structure. It was purposefully built near the giant pecan tree behind the church. This was by design so helpful

shade could be enjoyed while the children used the playground. A chain link fence encircles the playground and was extended to also surround the basketball court. New basketball goals and rims were purchased; installed and have provided for many round ball games on the northside of the church building. Funds from the "Revitalization" Grant helped to purchase the raw materials used to construct the new edition for the children's outdoor play equipment.

The first installment of a series of Backyard Bible Clubs were coordinated at the beginning of the fall 2021 school year. This ministry included school-age children from kindergarten to sixth grade. It was met with much enthusiasm by the children who attended. The church leaders placed a special emphasis on personal prayer during the club meetings and the children experienced almost immediate results from their prayers. Children's ministry workers see this as being an attractive, fun, spirit-filled way to teach children about the providential love of God.

On October 17, 2021, the 114th Santa Rosa Baptist Associational (SRBA) Annual Meeting convened in the downtown community of New York on the grounds of New Bethel Baptist Church. In his 12th year as Pastor of New Bethel, R. Matthew Dobson welcomed almost 100 representatives from the other Southern Baptist Churches in Santa Rosa County. The meeting started at 2:00PM with associational reports and sermons given by Dr. Brian Nall and Rev. R. Matthew Dobson. A spirited talk by SRBA Mission Strategist, Rev. Chip Fox was given, and he emphasized the SRBA Annual Meeting Theme: "Getting Back Better". All talks and reports concluded at 5:30PM. It was a splendid affair with an extravagant amount of food for the fellowship meal following the annual gathering of churches.

New Bethel Baptist Church is in the heart of the New York community in Jay, Florida, just north of the Chumuckla community. New Bethel is a member of the Santa Rosa Baptist Association of the Florida Baptist Convention and Southern Baptist Convention. The church is in good standing with all three entities. The members of New Bethel consider it a privilege and duty to serve as a community lighthouse on the corner of Chumuckla Highway and New York Street.

Matthew 6:31–34 (NIV)

"So do not worry, saying, 'What shall we eat?' or 'What shall we drink?' or "What shall we wear?' For the pagans run after all these things, and your heavenly Father knows that you need them. But seek first His kingdom and His righteousness, and all these things will be given to you as well. Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own."

Thank you, **New Bethel Baptist Church and Pastor Matt Dobson** for hosting this year's Annual Meeting. We appreciate all the hard work that went into making this Annual Meeting successful. It has been a pleasure to work alongside all of you!

Thank you to **all who took part in the planning and execution** of our 114th Annual Meeting—from the music, reports, and other team members, to the delicious meal. Without your help, we would have been lost.

Many thanks goes out to Matt Dobson**,** Pastor of New Bethel Baptist Church, for sharing the afternoon message. Thank you too, Dr.Brian Nall, Director of Pensacola Bay Baptist Association; giving instruction on how our churches can "Get Back Better." (Church Revitalization) We appreciate you.
