Serving Jesus by Serving His Churches

SRBA Here to Serve Jesus by Serving You

How does Santa Rosa Baptist Association serve your church?

The SRBA coordinates and mobilizes five teams of servant leaders from the SRBA churches who equip your church to meet its missional endeavors, both locally and globally.

Teams: Administrative, Community Connection; Church Ministry Development; Transformation; Church Ministry Development/ Family Life; Community Connection Team, Leadership Development Team

Administration Team

What does Administrative Team do?

Through overseeing the day to day operations of the SRBA, the Administrative Team ensures that our Association is functioning in a fitting and orderly way (1 Cor. 14:40): coordinating ministry calendars, promoting church and SRBA events, keeping track of SRBA finances and working with the Florida & Southern Baptist Conventions

Team Members: Director of Missions, Moderator, Moderator-Elect, Clerk, State Board of Missions Representatives, Treasurer

Community Connection Team

What is the purpose of the Community Connection Team?

By establishing point persons from various areas of our community the SRBA is able to stay connected to real time needs of our community and respond accordingly by serving Santa County, and beyond, in the name of Jesus.

Team Members: Benevolence, Church Planting, City/County Government, Dental Bus, Disaster Relief, Education, Military, Mission Trips, Tourism

Church Ministry Development-Transformation

How does the Church Development Team: Transformation assist my church?

The SRBA's primary focus is to serve and strengthen the local church by placing point -

persons who are highly skilled in various ministries of the church, the SRBA is able to train churches to reach their ministry potential and then coordinate various church efforts so that our churches can accomplish more together than we can alone.

Team Members: Discipleship, Evangelism, Music, Prayer, Stewardship, Sunday School

Church Ministry Development-Family Life

How does the Church Ministry Development: Family Life Team Strengthen the families in my church?

The SRBA strongly believes that the backbone of the church, and our society as a whole, is the family; therefore, by having trained point persons on this team who can assist leaders in your church, the SRBA is able to provide the local church, church leaders, and families of all shapes and sizes with the resources needed to remain Biblically solid in a relationally insecure world.

Team Members: Children/VBS, Young Adult/College, Women, Men, Marriage/Parenting, Senior Adult, Youth

Leadership Team

How does the Leadership Development Team strengthen my church?

It's often quoted that "everything rises and falls on leadership." Because of the ministry demands of those in our local church, both clergy and laity, the SRBA uses various methods to sharpen the skills of church leaders so that they will be able to effectively lead the church to accomplish the mission God has given her. This team brings church leaders together for book study discussions, strategically comes alongside church leaders to help them reach their individual and church goals, and is beginning to offer formal education classes for those seeking to further their education.

Team Members: Peer Learning, Coaching, Formal Education, Bi-Vocational Pastor, Church Revitalization
